

UkeGuide

Ukadelic (by Kala) Stars & Stripes Soprano Ukulele

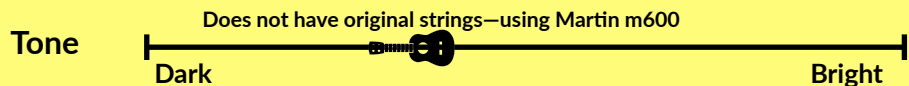

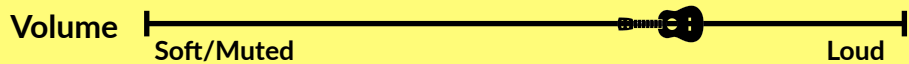

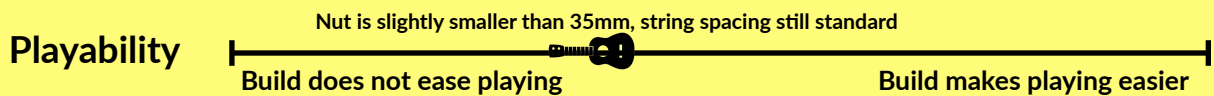

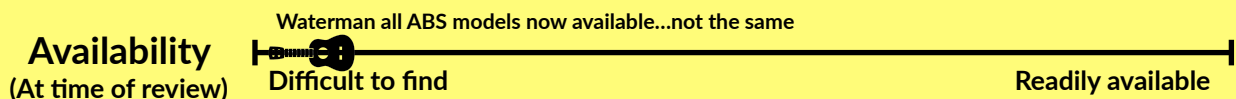

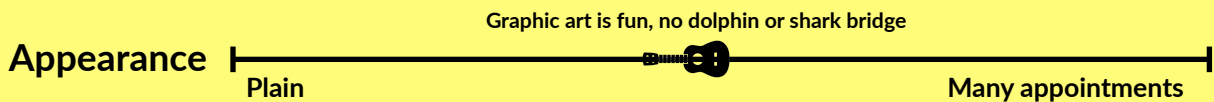

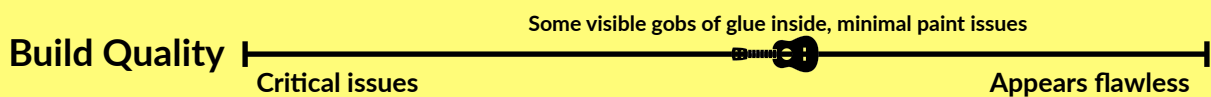

UkeStuff.info Rating:

3.0 Ukes

Summary Statement:

Kala took their successful Dolphin line and added fun graphics to it. Mine plays slightly out of tune. In 2017, Kala made Ukadelics based on the Waterman. It's loud. Consider other strings.

Scale Length	Measured Scale Length	Number of Frets	Side Marker Dots?	Body Style
